## Call lists for Westminster Hall

### Tuesday 13 October 2020

A list of Members physically present to participate in Westminster Hall debates.

For 60-minute and 90-minute debates, only Members who are on the call list are permitted to attend. Members are not permitted to attend only to intervene.

For 30-minute debates, there will not be a call list. Members wishing to contribute should follow existing conventions about contacting the Member in charge of the debate, the Speaker's Office and the Minister.

If sittings are suspended for divisions in the House, additional time is added.

Call lists are compiled and published incrementally as information becomes available. **For the most up-to-date information see the parliament website:** <https://commonsbusiness.parliament.uk/>
