That this House welcomes the United States Department of Home Security issuing five Withhold Release Orders which will ban the import of products from the People's Republic of China produced with state-sponsored forced labour in the Xinjiang Uyghur Autonomous Region where the Chinese Communist Party government is engaged in systematic human rights abuses against the Uyghur people and other ethnic and religious minorities; notes that the latest orders cover computer parts made by Hefei Bitland Information Tehncology Co., cotton produced by Xinjang Junggar Cotton and Linen Co., clothing from the Yili Zhuowan Garment Manufacturing Co., hair products made in the Lop County Hair Product Industrial Park in Xinjiang, and all products made with labour from the notorious Lop County No.4 Vocational Skills Education and Training Centre, the latter of which is little better than a slave labour concentration camp through which, and through a network of similar camps, genocide is now being perpetrated by the Chinese Communist Party against the Uyghur people; and urges the Government to review and upgrade its own import control

arrangements to ensure that British consumers are protected from inadvertently supporting slave labour and genocide in China.

# 1059 Cyprus 60th Independence Day and Famagusta

Tabled: 23/10/20 Signatories: 1

#### **Geraint Davies**

That this House congratulates Cyprus on its 60th anniversary independence day and supports the comprehensive settlement of the Cyprus problem, based on a bi-communal, bi-zonal federation with political equality, as set out in the relevant Security Council Resolutions and the High Level Agreements; endorses the Declaration of the European Parliament of 14 February 2012 on the return of Famagusta to its lawful inhabitants; notes that the city of Famagusta in the Republic of Cyprus was captured by the invading Turkish forces in August 1974, that a section of Famagusta was then sealed off and remains uninhabited, under the direct control of the Turkish military, and that the return of Famagusta to its lawful inhabitants would facilitate efforts toward a comprehensive settlement of the Cyprus problem; further notes the 1979 High Level Agreement and UN Security Council Resolutions 550 (1984) and 789 (1992) and the 2008 Report of the Committee on Petitions of the European Parliament on Petition 733/2004; calls on the Government of Turkey to act according to those UN Security Council Resolutions and Report Recommendations and return Famagusta to its lawful inhabitants, who must resettle under conditions of security and peace; urges the UK Government, as a guarantor power of Cyprus, to promote Turkey's cooperation and to forward this Resolution to President Nicos Anastasiades, Mr Ersin Tatar, the UN Secretary General and the Government of Turkey.

1060 Digital exclusion of asylum seekers

Tabled: 23/10/20 Signatories: 4

Patrick Grady Allan Dorans John McDonnell Alison Thewliss

That this House recognises that asylum seekers in the UK receive cash support of £37.75 per week in the form of cash loaded on to an ASPEN debit card; notes that the Home Office describes this cash support as helping asylum seekers pay for essentials such as food, clothing and toiletries; considers that the ability to get online is also an essential need in modern society; appreciates that the need for online connectivity is particularly acute for asylum seekers, many of whom are vulnerable, isolated, and have family and friends trapped in dangerous conditions elsewhere around the world; regrets that many asylum seekers find themselves digitally excluded due to their inability to access affordable, reliable internet access through the asylum support system; understands that the ASPEN card system prevents asylum seekers from paying for efficient, low-cost mobile internet contracts through direct debit, and instead forces many to choose between purchasing prohibitively expensive pay-as-you-go data packages or affording other essentials such as food and toiletries; believes that it is grossly unfair that those with the lowest amount to live on are forced to pay the highest price to get online; thanks the Scottish Asylum Seeker Residents Association and Maryhill Integration Network for their work highlighting this important issue; and calls on the Government

to widen the scope of asylum support system to ensure that asylum seekers can access affordable, reliable internet service, and provide a commensurate increase in the asylum support to cover these costs.

#### 1061 Kurdistan region in Iraq

Tabled: 23/10/20 Signatories: 1

#### **Robert Halfon**

That this House notes reports from the APPG on the Kurdistan Region in Iraq on a virtual delegation to meet Kurdistani leaders; fully acknowledges the crucial role of the Peshmerga in resisting the so-called Islamic State, that Kurdistan's model of peaceful co-existence and equality are vital in continuing efforts to eradicate extremism, and that this is a vital UK interest; stresses the profound impact of covid-19 on oil revenues, which have fallen dramatically and may fade further as a proportion of the region's income; further notes Kurdistan's need to reform its public services and increase income from agriculture, tourism, and light industry with a bigger private sector and tackling corruption; wishes the KRG and the Iraqi Government the best in resolving their longstanding differences through the full implementation of Iraq's federal constitution; believes that the APPG's recommendations to the UK Government accord with its policy of supporting a strong Kurdistan Regional Government (KRG) in a unified Iraq; further believes that the UK Government should organise an official trade mission to encourage investment by private companies and public institutions; recognises the central importance of universities to the new economy; commends the suggestion that the UK Government send experts to Kurdistan to assess higher education and make recommendations for reform; endorses the APPG's recommendation for skills transfer to Kurdistani MPs; and urges the Foreign Secretary to visit Kurdistan as soon as possible and organise an official visit by the KRG leadership to London to advance bilateral relations.

Andrew Gwynne Rebecca Long Bailey John McDonnell Dame Diana Johnson Mrs Emma Lewell-Buck Yvonne Fovargue

Liz Saville Roberts

**Hywel Williams** 

That this House condemns the way in which Debenhams has implemented the redundancies of thousands of workers during the Coronavirus outbreak; notes that staff were told via conference call that they would be made redundant with 3 days' notice and 3 days' pay and that there was no consultation or criteria for redundancies disclosed to staff; further notes that Debenhams is engaging in the immoral practice of 'Fire and Rehire', giving workers who have been laid off little choice but to reapply for positions with worse terms of employment; stands in solidarity with all of those staff affected; believes that this is part of a worrying pattern of large employers using the pandemic as a gateway to break employment law; and calls on the Government to urgently address these practices and to defend workers from unscrupulous employers.

#### 996 TSB Closures in Glasgow North West

Tabled: 12/10/20 Signatories: 9

Carol Monaghan Chris Law Patrick Grady Jim Shannon Allan Dorans Stewart Malcolm McDonald

Hywel Williams

That this House condemns TSB Bank's decision to close its Anniesland, Drumchapel and Partick branches; recognises that this follows a long succession of bank closures in Glasgow North West constituency; notes that there are no easily accessible TSB branches nearby to serve the busy communities of Anniesland, Drumchapel and Partick, and that the Post Office cannot be expected to pick up the pieces; recognises that there remains a strong need for choice between face to face and other forms of banking, and for cash and counter transactions; and calls on banks to work to do everything they can to make it easier for their local customers to access their services and not close the doors permanently during a time of crisis during which many businesses are already struggling.

#### 997 Extension of Furlough Scheme

Tabled: 12/10/20 Signatories: 25

Christine Jardine Daisy Cooper Jim Shannon Mike Hill Jamie Stone Layla Moran

Hywel Williams Liz Saville Roberts Clive Lewis

That this House welcomes the partial U-turn by the Chancellor in extending the furlough scheme to local lockdown areas; recognises that businesses ordered to close must be supported; notes that this new support is limited to only certain parts of the UK when it is needed across the country; further notes that support offered only accounts for two-thirds of income and many in the hospitality industry will be put in precarious financial positions as a result; and calls on the Government to produce a clear and proactive support strategy and to expand furlough as a matter of urgency across the whole economy until June 2021.

#### 999 Treatment of football supporters during the covid-19 outbreak

Tabled: 12/10/20 Signatories: 33

Ian Byrne Claudia Webbe Apsana Begum Kate Osborne Ian Lavery Mr Clive Betts

Clive Lewis

That this House is opposed to the introduction of a charge of £14.95 per game to view the 150 Premier League matches not part of the existing broadcast deal; notes that these matches are currently being televised free of charge; acknowledges that football is being played behind closed doors due to covid-19 and whilst this may be difficult economically for football clubs it is also an effective way to keep our communities safe; recognises that current measures mean that up to 380,000 match going fans are missing out on seeing their team each week which is reducing their usual social contacts and affecting their mental wellbeing; acknowledges that fans are being asked to pay to view additional games that they are legally prevented from attending; agrees that the introduction of this charge ignores the social, economic and welfare plight of many in our communities, especially those now faced with Tier 3 restrictions; recognises that the introduction of this charge ignores the magnificent initiatives set up by football fans across the country during this pandemic such as foodbank collections, shopping deliveries, PPE production and distribution; agrees that football supporters have been exemplars of public citizenship in their communities during this crisis; calls on the Government to challenge and lobby the Premier League, it's Member Clubs and the broadcasters to provide access to the 150 fixtures on free to air channels; and further calls on the Government to commence it's promised fan led review on football governance as a matter of urgency.

#### 1002 Planning White Paper and Communities

Tabled: 12/10/20 Signatories: 12

Layla Moran Tim Farron Sarah Olney Ed Davey Jamie Stone Daisy Cooper

Clive Lewis

That this House condemns the deeply problematic Planning White Paper published by Her Majesty's Government; recognises that the proposed legislation will push for a top-down planning approach, leave the problem of land banking unresolved, and risk environmental standards being lowered; notes the importance of pushing for developers to build homes that have already been approved which are more accessible to the most vulnerable in our society; and therefore urges the Government to build at least 100,000 homes for social rent each year, while increasing overall house building to 300,000 a year, substantially help finance the large increase in the building of social homes, build new houses to zero-carbon standards, and devolve full control of Right to Buy to local councils.

Tabled: 12/10/20 Signatories: 14

Wera Hobhouse Bell Ribeiro-Addy Jamie Stone Sarah Olney Ed Davey Layla Moran

Hywel Williams

Liz Saville Roberts

That this House believes that hair policies enforced by schools and employers either officially or unofficially are an all-too-prevalent form of racial discrimination; notes with alarm cases of black children being sent home from school because of their afros, black boys being told to cut off their dreadlocks, black women being turned down for jobs because they wear their hair in braids or cornrows, and black employees being told to chemically straighten their natural hair; calls on the Government to develop new guidance for schools and employers to prevent hair discrimination in policies and practices; further calls on the Government to launch an awareness campaign to help schools and employers understand their obligations not to discriminate in relation to hair, and to help individuals understand how to uphold their rights not to be discriminated against; and urges the Government to conduct a review to determine whether any further changes, including legal changes, are necessary to prevent hair discrimination.

Tabled: 15/10/20 Signatories: 9

Jon Trickett lan Lavery Mick Whitley Alison Thewliss Paula Barker Jim Shannon

Hywel Williams

Liz Saville Roberts

That this House is concerned that 300 children every year are born with foetal valproate syndrome as a result of the drug sodium valproate being prescribed to women during pregnancy; expresses shock that between 1973 and 2016 no explanation of side effects linked to the drug, such as kidney and heart malformations in children, were provided to these pregnant women before they were prescribed sodium valproate; notes that despite the introduction of a Valproate Toolkit in 2016 to provide information about the drug to patients and healthcare professionals, the Independent Medicines and Medical Devices Safety Review of July 2020 found that women are still becoming pregnant while on Sodium Valproate without any knowledge of the risks; pays tribute to the work of the Independent Foetal Anti-Convulsant Trust for its work raising awareness of this issue; and calls on the Government to apologise to the thousands of families affected and to immediately establish a task force in order to implement the recommendations of the Independent Medicines and Medical Devices Safety Review 2020 in full.

That this House notes that the Train Operating Company Avanti West Coast is proposing to relocate staff from the Customer Resolutions Centre in Birmingham to the parent company, First Group's contact centre in Sheffield, a distance of around 90 miles; understands that the distance between Birmingham and Sheffield makes it unlikely that staff will be able to transfer to the new location; is concerned that these proposals put 60 posts at risk of redundancy and could be damaging to the local economy in Birmingham; is aware that since March 2020, Avanti West Coast has been in receipt of public funding via an Emergency Measures Agreement and Emergency Recovery Measures Agreement; believes that Avanti West Coast should withdraw its proposals so that the jobs remain in Birmingham and all redundancies are avoided; and calls on the Government to ensure that future public funding for Avanti West Coast is dependent on it retaining all Customer Resolutions posts in Birmingham.
