Call lists for Westminster Hall

Wednesday 16 December 2020

A list of Members physically present to participate in 60- and 90-minute Westminster Hall debates.

30-minute debates do not have a call list.

All Members wishing to speak in the debate must be present from the beginning of the debate.

For 60-minute and 90-minute debates, only Members on the call list will be called to speak, and they will be generally called in the order they appear on the call list, subject to discretion of the Chair.

Members who are not on the call list are permitted to attend debates provided that they do not take a place on the horseshoe which would prevent a Member on the call list having access to the horseshoe. Members not on the call list may attend to listen to debates or intervene, but will not be called to give a speech. Members must make interventions from the horseshoe and not the public gallery.

For 30-minute debates, there will not be a call list. Members may attend to intervene or make a short speech. Members wishing to make a speech should follow existing conventions about contacting the Member in charge of the debate, the Speaker's Office (speakersoffice@parliament.uk) and the Minister.

If sittings are suspended for divisions in the House, additional time is added. Call lists are compiled and published incrementally as information becomes available. For the most up-to-date information see the parliament website: <https://commonsbusiness.parliament.uk/>
