- 1 Questions to the Chancellor of the Exchequer**
- 2 Urgent Question: Results of the Events Research Programme (Nigel Huddleston)**
- 3 Division: Correction**

The Speaker reported an error in Division No. 30 on the Question relating to local involvement in planning decisions, announced on 21 June.

On the Question That this House believes planning works best when developers and the local community work together to shape local areas and deliver necessary new homes; and therefore calls on the Government to

protect the right of communities to object to individual planning applications, the correct number of Ayes should read 212 instead of 231.

The Speaker directed the Clerk to correct the Journal accordingly:
