- 6 Rating (Coronavirus) and Directors Disqualification (Dissolved Companies) Bill: Second Reading**

Motion made and Question proposed, That the Rating (Coronavirus) and Directors Disqualification (Dissolved Companies) Bill be now read a second time.—(*Luke Hall.*)

Amendment moved, to leave out from 'That' to the end of the Question and add ' this House, while agreeing that the

disqualification regime should be extended to directors of dissolved companies, declines to give a Second Reading to the Rating (Coronavirus) and Directors Disqualification (Dissolved Companies) Bill because it retrospectively overrules more than 500,000 business rates appeals made by 170,000 businesses, fails to consult the affected businesses to deliver adequate support, puts business and jobs at risk by delaying the delivery of additional business rates relief, ignores the impact of the pandemic on companies that have been excluded from business rates relief, fails to recognise the impact of the pandemic on jobs and businesses in the supply chain of retail, hospitality and leisure businesses from office-based companies to manufacturing firms, severely limits the only route available to tens of thousands of businesses in claiming Government support during the pandemic, sets a troubling precedent for future crises by retrospectively limiting businesses' right to challenge their business rates bill, fails to bring forward meaningful reforms of the business rates system and risks leading to more job losses and company

closures during an economic crisis.'.—(*Sarah Olney.*)

Question proposed, That the Amendment be made.

Amendment, by leave, withdrawn.

Bill read a second time.
