ANNOUNCEMENTS

VIRTUAL PARTICIPATION IN PROCEEDINGS

On 30 December 2020 the House agreed an order extending virtual participation to debate and certain other proceedings in accordance with a scheme prepared by the Speaker. On 16 June the House extended these provisions until 22 July.

The [scheme for virtual participation in proceedings](#) and the revised [Members' Guide to Chamber proceedings](#) are available on the intranet. The [Members' Guide to Westminster Hall proceedings](#) is available on the intranet.

PARTICIPATION IN WESTMINSTER HALL

On 25 February the House agreed a motion to resume sittings in Westminster Hall on Monday 8 March. The Order agreed on 16 June extends provision for Members to participate virtually until the House rises for summer recess. These sittings continue to take place in the Boothroyd Room in Portcullis House.

Applying to speak

Applications to speak should be made via email to the Speaker's Office (speakersoffice@parliament.uk). The deadlines are as follows: 1.00pm on the previous Friday for debates on a Monday; and 1.00pm on the previous day for debates on a Tuesday, Wednesday and Thursday. Call lists will be published at around 12.30pm on a Monday for debates that day and 6.30pm the previous day for debates on a Tuesday, Wednesday and Thursday.

Participation

Members are able to participate physically or virtually, but should note Mr Speaker's request for Members to participate virtually in proceedings wherever possible. Members who wish to participate physically should note this when they contact the Speaker's Office. For 60-minute and 90-minute debates, and debates scheduled by the Petitions Committee, only Members who are on the call list are permitted to attend. Members will be called in the order they appear on the call list, unless there are technical problems which prevent this. For 30-minute debates, there will not be a call list. Members wishing to contribute should follow existing conventions about contacting the Member in charge of the debate, the Speaker's Office and the Minister.

Arrangements for social distancing

On the horseshoe in the Boothroyd Room, there are a maximum of 16 seats. Of these seats, there are 9 available from which backbenchers can speak (others are reserved for the frontbenchers, the PPS or Whip, the Member in charge, the Chair and the Clerk). There are 11 additional seats in the public gallery and a further 6 seats at the side table for Members in the latter part of the call list from which they can listen to debates and move onto the horseshoe when spaces become available. Members should clean the microphone

and the desk around them before and after use. Cleaning materials will be available for this purpose. Guidance for Members on hybrid arrangements in Westminster Hall can be found on the intranet.

That this House regrets the end of Freedom of Movement following the UK's exit from the European Union; notes the enormous contribution EU nationals make to the UK economy and society, including in response to the ongoing covid-19 pandemic; regrets that the Government did not grant automatic right to remain to EU nationals despite assurances made during the EU referendum campaign; welcomes the fact there have been over six million successful applications to the EU Settlement Scheme; but further notes with concern that inevitably, many thousands of EU nationals have not applied; regrets that provision in relation to late applications will not prevent injustices and the loss of rights of many thousands of EU citizens; calls on the Government to recognise that the ongoing health emergency has also impacted on outreach work and the ability of EU nationals to apply, and to respond to this either by automatically granting Settled Status

or by scrapping or extending the 30 June deadline; and further calls on the Government to introduce physical proof of Settled and Pre-Settled Status and to work with the Scottish Government on agreeing a transfer of immigration powers to allow the Scottish Government to create a Scottish visa or Scottish migration system.

BACKBENCH BUSINESS

■ Northern Ireland Protocol

Sir Bernard Jenkin

That this House supports the stated aims of the Northern Ireland Protocol of the EU Withdrawal Agreement, upholding the Belfast (Good Friday) Agreement in all its dimensions and respecting the integrity of the EU and UK internal markets; recognises that new infrastructure and controls at the border between Northern Ireland and the Irish Republic must be avoided to prevent dangers to peace and to encourage stability and trade; notes the far larger volume of trade between Great Britain and Northern Ireland; regards flexibility as being in the mutual interests of the EU and UK, given the unique constitutional and political circumstances of Northern Ireland; regrets EU threats of legal action; further notes the EU and UK mutual commitment to adopt measures with a view to avoiding controls at the ports and airports of Northern Ireland to the extent possible; is conscious of the need to avoid separating the Unionist community from the rest of the UK, consistent with the Belfast (Good Friday) Agreement; and further notes that, whilst a minority of provisions of the Northern Ireland Protocol have not been applied to GB-NI trade during the various grace periods and no goods have entered the EU threatening the EU internal market, also recognises that Article 13(8) of the Protocol provides for potentially superior arrangements to those currently in place.

■ Beijing winter olympics and Chinese Government sanctions

Tim Loughton

That this House believes that the 2022 Winter Olympic games should not be hosted in a country whose Government is credibly accused of mass atrocity crimes; and calls on the UK Government to decline invitations for its representatives to attend the 2022 Beijing Olympic Games unless the Government of the People's Republic of China ends the atrocities taking place in the Xianjing region and lifts the sanctions imposed on UK Parliamentarians, citizens and entities.
