That this House regrets the end of Freedom of Movement following the UK's exit from the European Union; notes the enormous contribution EU nationals make to the UK economy and society, including in response to the ongoing covid-19 pandemic; regrets that the Government did not grant automatic right to remain to EU nationals despite assurances made during the EU referendum campaign; welcomes the fact there have been over six million successful applications to the EU Settlement Scheme; but further notes with concern that inevitably, many thousands of EU nationals have not applied; regrets that provision in relation to late applications will not prevent injustices and the loss of rights of many thousands of EU citizens; calls on the Government to recognise that the ongoing health emergency has also impacted on outreach work and the ability of EU nationals to apply, and to respond to this either by automatically granting Settled Status or by scrapping or extending the 30 June deadline; and further calls on the Government to introduce physical proof of Settled and Pre-Settled Status and to work with the Scottish Government on agreeing a transfer of immigration powers to allow the Scottish Government to create a Scottish visa or Scottish migration system.

ANNOUNCEMENTS

VIRTUAL PARTICIPATION IN PROCEEDINGS

On 30 December 2020 the House agreed an order extending virtual participation to debate and certain other proceedings in accordance with a scheme prepared by the Speaker. On 16 June the House extended these provisions until 22 July.

The [scheme for virtual participation in proceedings](#) and the revised [Members' Guide to Chamber proceedings](#) are available on the intranet. The [Members' Guide to Westminster Hall proceedings](#) is available on the intranet.

PARTICIPATION IN WESTMINSTER HALL

On 25 February the House agreed a motion to resume sittings in Westminster Hall on Monday 8 March. The Order agreed on 16 June extends provision for Members to participate virtually until the House rises for summer recess. These sittings continue to take place in the Boothroyd Room in Portcullis House.

Applying to speak

Applications to speak should be made via email to the Speaker's Office (speakersoffice@parliament.uk). **The deadlines are as follows:** 1.00pm on the previous Friday for debates on a Monday; and 1.00pm on the previous day for debates on a Tuesday, Wednesday and Thursday. Call lists will be published at around 12.30pm on a Monday for debates that day and 6.30pm the previous day for debates on a Tuesday, Wednesday and Thursday.

Participation

Members are able to participate physically or virtually, but should note Mr Speaker's request for Members to participate virtually in proceedings wherever possible. Members who wish to participate physically should note this when they contact the Speaker's Office. For 60-minute and 90-minute debates, and debates scheduled by the Petitions Committee, only Members who are on the call list are permitted to attend. Members will be called in the order they appear on the call list, unless there are technical problems which prevent this. For 30-minute debates, there will not be a call list. Members wishing to contribute should follow existing conventions about contacting the Member in charge of the debate, the Speaker's Office and the Minister.

Arrangements for social distancing

On the horseshoe in the Boothroyd Room, there are a maximum of 16 seats. Of these seats, there are 9 available from which backbenchers can speak (others are reserved for the frontbenchers, the PPS or Whip, the Member in charge, the Chair and the Clerk). There are 11 additional seats in the public gallery and a further 6 seats at the side table for Members in the latter part of the call list from which they can listen to debates and move onto the horseshoe when spaces become available. Members should clean the microphone and the desk around them before and after use. Cleaning materials will be available for

this purpose. Guidance for Members on hybrid arrangements in Westminster Hall can be found on the intranet.

Tim Loughton

Bill to require the Secretary of State to report annually on restrictions on access by UK nationals to Tibet and Xinjiang in comparison with other regions of China; to make provision to deny persons involved in imposing such restrictions permission to enter the UK; and for connected purposes.

BACKBENCH BUSINESS

- Northern Ireland Protocol

Sir Bernard Jenkin

That this House supports the stated aims of the Northern Ireland Protocol of the EU Withdrawal Agreement, upholding the Belfast (Good Friday) Agreement in all its dimensions and respecting the integrity of the EU and UK internal markets; recognises that new infrastructure and controls at the border between Northern Ireland and the Irish Republic must be avoided to prevent dangers to peace and to encourage stability and trade; notes the far larger volume of trade between Great Britain and Northern Ireland; regards flexibility as being in the mutual interests of the EU and UK, given the unique constitutional and political circumstances of Northern Ireland; regrets EU threats of legal action; further notes the EU and UK mutual commitment to adopt measures with a view to avoiding controls at the ports and airports of Northern Ireland to the extent possible; is conscious of the need to avoid separating the Unionist community from the rest of the UK, consistent with the Belfast (Good Friday) Agreement; and further notes that, whilst a minority of provisions of the Northern Ireland Protocol have not been applied to GB-NI trade during the various grace periods and no goods have entered the EU threatening the EU internal market, also recognises that Article 13(8) of the Protocol provides for potentially superior arrangements to those currently in place.

■ Beijing winter olympics and Chinese Government sanctions

Tim Loughton

That this House believes that the 2022 Winter Olympic games should not be hosted in a country whose Government is credibly accused of mass atrocity crimes; and calls on the UK Government to decline invitations for its representatives to attend the 2022 Beijing Olympic Games unless the Government of the People's Republic of China ends the atrocities taking place in the Xianjing region and lifts the sanctions imposed on UK Parliamentarians, citizens and entities.

That—

(1) The following Standing Order be made:

IEP recommendations for sanctions and the Recall of MPs Act 2015

(1) The Chair of the Independent Expert Panel shall send to the Chair and Members of the Committee on Standards and to the Clerk of that Committee any report from a sub-panel of the IEP which he has referred to the Clerk of the House under sub-paragraph (5)(d) of Standing Order No. 150A (Independent Expert Panel) and which contains a determination for a sanction that would, if made by the Committee on Standards, engage the provisions of the Recall of MPs Act 2015.

(2) Where a report has been sent to the Committee on Standards in accordance with paragraph (1) of this Order the Committee on Standards shall make a report to the House in relation to the Member named in that report, setting out a recommendation for a suspension equal to that determined by the sub-panel to run concurrently with any sanction imposed as a result of the sub-panel's determination.

(3) Reports under paragraph (2) must be made no later than on the third sitting day after the report of the IEP sub-panel is sent to members of the Committee on Standards, save that the day on which the report is sent shall not be counted in calculating this period.

(4) If the Committee on Standards is unable to meet within 3 sitting days, the Chair of that Committee shall, if satisfied that the report from the IEP sub-panel has been sent to all members of the Committee, make the report to the House from the Committee required under paragraph (2).

(2) The following amendments to Standing Orders be made:

(3) The provisions of Standing Order (IEP recommendations for sanctions and the Recall of MPs Act 2015) shall be applied in respect of any report from the Independent Expert Panel published before this Order is agreed which contains a determination for a sanction that, if it had been made by the Committee on Standards, would have engaged the provisions of the Recall of MPs Act 2015, save that, notwithstanding the provisions of that Standing Order, the sanction recommended by the Committee on Standards in such a case, shall be limited to 14 days and the provisions of [Standing Order No. 45A](#) shall not apply in respect of any suspension imposed in consequence of such a recommendation, and the provisions of the Standing Order shall be interpreted as if the day this Order is agreed had been the day on which the Report was sent to Members of the Committee on Standards in accordance with that Standing Order.
