Kate Osborne  
Kate Osamor

That this House declines to give a Second Reading to the Health and Care Bill because it allows private healthcare companies to sit on boards deciding how NHS funding is spent,

opens the door for further outsourcing of contracts without proper scrutiny, transparency and accountability, introduces a model of healthcare that incentivises cuts and the closure of services, fails to reverse years of privatisation, under-funding and unfair pay, and does not ensure that the NHS is a fully publicly funded, accountable and publicly delivered service providing free high quality care to everyone who needs it.

## **BACKBENCH BUSINESS**

## ■ Northern Ireland Protocol

### **Sir Bernard Jenkin**

That this House supports the stated aims of the Northern Ireland Protocol of the EU Withdrawal Agreement, upholding the Belfast (Good Friday) Agreement in all its dimensions and respecting the integrity of the EU and UK internal markets; recognises that new infrastructure and controls at the border between Northern Ireland and the Irish Republic must be avoided to prevent dangers to peace and to encourage stability and trade; notes the far larger volume of trade between Great Britain and Northern Ireland; regards flexibility as being in the mutual interests of the EU and UK, given the unique constitutional and political circumstances of Northern Ireland; regrets EU threats of legal action; further notes the EU and UK mutual commitment to adopt measures with a view to avoiding controls at the ports and airports of Northern Ireland to the extent possible; is conscious of the need to avoid separating the Unionist community from the rest of the UK, consistent with the Belfast (Good Friday) Agreement; and further notes that, whilst a minority of provisions of the Northern Ireland Protocol have not been applied to GB-NI trade during the various grace periods and no goods have entered the EU threatening the EU internal market, also recognises that Article 13(8) of the Protocol provides for potentially superior arrangements to those currently in place.

## ■ Beijing winter olympics and Chinese Government sanctions

### **Tim Loughton**

That this House believes that the 2022 Winter Olympic games should not be hosted in a country whose Government is credibly accused of mass atrocity crimes; and calls on the UK Government to decline invitations for its representatives to attend the 2022 Beijing Olympic Games unless the Government of the People's Republic of China ends the atrocities taking place in the Xianjing region and lifts the sanctions imposed on UK Parliamentarians, citizens and entities.

(2) Where a report has been sent to the Committee on Standards in accordance with paragraph (1) of this Order the Committee on Standards shall make a report to the House in relation to the Member named in that report, setting out a recommendation for a suspension equal to that determined by the sub-panel to run concurrently with any sanction imposed as a result of the sub-panel's determination.
