ANNOUNCEMENTS

VIRTUAL PARTICIPATION IN PROCEEDINGS

On 30 December 2020 the House agreed an order extending virtual participation to debate and certain other proceedings in accordance with a scheme prepared by the Speaker. On 16 June the House extended these provisions until 22 July.

The scheme for virtual participation in proceedings and the revised Members' Guide to Chamber proceedings are available on the intranet. The Members' Guide to Westminster Hall proceedings is available on the intranet.

PARTICIPATION IN WESTMINSTER HALL

On 25 February the House agreed a motion to resume sittings in Westminster Hall on Monday 8 March. The Order agreed on 16 June extends provision for Members to participate virtually until the House rises for summer recess. These sittings continue to take place in the Boothroyd Room in Portcullis House.

Applying to speak

Applications to speak should be made via email to the Speaker's Office (speakersoffice@parliament.uk). The deadlines are as follows: 1.00pm on the previous Friday for debates on a Monday; and 1.00pm on the previous day for debates on a Tuesday, Wednesday and Thursday. Call lists will be published at around 12.30pm on a Monday for debates that day and 6.30pm the previous day for debates on a Tuesday, Wednesday and Thursday.

Participation

Members are able to participate physically or virtually, but should note Mr Speaker's request for Members to participate virtually in proceedings wherever possible. Members who wish to participate physically should note this when they contact the Speaker's Office. For 60-minute and 90-minute debates, and debates scheduled by the Petitions Committee, only Members who are on the call list are permitted to attend. Members will be called in the order they appear on the call list, unless there are technical problems which prevent this. For 30-minute debates, there will

not be a call list. Members wishing to contribute should follow existing conventions about contacting the Member in charge of the debate, the Speaker's Office and the Minister.

Arrangements for social distancing

On the horseshoe in the Boothroyd Room, there are a maximum of 16 seats. Of these seats, there are 9 available from which backbenchers can speak (others are reserved for the frontbenchers, the PPS or Whip, the Member in charge, the Chair and the Clerk). There are 11 additional seats in the public gallery and a further 6 seats at the side table for Members in the latter part of the call list from which they can listen to debates and move onto the horseshoe when spaces become available. Members should clean the microphone and the desk around them before and after use. Cleaning materials will be available for this purpose. Guidance for Members on hybrid arrangements in Westminster Hall can be found on the intranet.

That this House declines to give a Second Reading to the Health and Care Bill because it allows private healthcare companies to sit on boards deciding how NHS funding is spent, opens the door for further outsourcing of contracts without proper scrutiny, transparency and accountability, introduces a model of healthcare that incentivises cuts and the closure of services, fails to reverse years of privatisation, under-funding and unfair pay, and does not ensure that the NHS is a fully publicly funded, accountable and publicly

delivered service providing free high quality care to everyone who needs it.

A. CALENDAR OF BUSINESS

Agreement, upholding the Belfast (Good Friday) Agreement in all its dimensions and respecting the integrity of the EU and UK internal markets; recognises that new infrastructure and controls at the border between Northern Ireland and the Irish Republic must be avoided to prevent dangers to peace and to encourage stability and trade; notes the far larger volume of trade between Great Britain and Northern Ireland; regards flexibility as being in the mutual interests of the EU and UK, given the unique constitutional and political circumstances of Northern Ireland; regrets EU threats of legal action; further notes the EU and UK mutual commitment to adopt measures with a view to avoiding controls at the ports and airports of Northern Ireland to the extent possible; is conscious of the need to avoid separating the Unionist community from the rest of the UK, consistent with the Belfast (Good Friday) Agreement; and further notes that, whilst a minority of provisions of the Northern Ireland Protocol have not been applied to GB-NI trade during the various grace periods and no goods have entered the EU threatening the EU internal market, also recognises that Article 13(8)

of the Protocol provides for potentially superior arrangements to those currently in place.
