- **Ministerial Statements (if any)**

BUSINESS OF THE DAY**1. OPPOSITION DAY (17TH ALLOTTED DAY)**

Until 10.00pm (Standing Order No. 9(3))

■ **P&O Ferries and employment rights**

Keir Starmer

Angela Rayner

Louise Haigh

Justin Madders

Thangam Debbonaire

Sir Alan Campbell

That this House condemns the decision of P&O Ferries to fire 800 staff without notice and demands their immediate reinstatement; notes that DP World, the owner of P&O Ferries, received millions of pounds of taxpayers' money during the coronavirus pandemic; calls on the Government to suspend the contracts and licences of DP World and remove them from the Government's Transport Advisory Group; and further calls on the Government to bring forward a Bill urgently to outlaw fire and rehire and strengthen workers' rights.

■ **The impact of cost of living increases on pensioners**

Keir Starmer

Angela Rayner

Jonathan Ashworth

Matt Rodda

Thangam Debbonaire

Sir Alan Campbell

That this House is concerned that older people and pensioners risk being at the sharp end of the cost of living crisis as a result of spiralling inflation, a lack of Government action on household energy bills, a poorly thought-through tax rise on older people in work and a real-terms reduction to the state pension; notes that the state pension is being cut in real-terms by hundreds of pounds a year and that working pensioners will begin paying the Health and Social Care Levy from next year; regrets that levels of pensioner poverty and pensioner debt have risen over the last decade even before the current cost of living crisis with almost one in five pensioners now living in poverty; and calls upon the Government to cut home energy bills, halt

the planned tax rise on working pensioners and ensure older people are protected from the cost of living crisis.
