B. REMAINING ORDERS AND NOTICES

4. [DATA PROTECTION AND DIGITAL INFORMATION BILL](#): MONEY

Victoria Atkins

- (1) the charging of fees or levies under or by virtue of the Act; and
- (2) the payment of sums into the Consolidated Fund.

6. BILL OF RIGHTS BILL: SECOND READING

Caroline Lucas

This House declines to give a Second Reading to the Bill of Rights Bill, because the Bill attacks the freedoms and liberties protected by the Human Rights Act in an ideologically motivated way, is of supreme constitutional significance and will impact on the rights of individuals for many years to come but has not undergone pre-legislative scrutiny in line with the recommendations of the chairs of relevant cross-party committees, ignores the results of two consultations into the Act, vastly exceeds the manifesto commitment to 'update' the Act, does not come with publication of relevant and robust impact assessments, ignores the fundamental principle that human rights are not earned or contingent on a person's conduct or character but are attached to a person by virtue of their humanity, undermines migrants' rights at a time of unprecedented international turmoil, threatens the Good Friday Agreement, risks severing the ties between domestic rights and Strasbourg jurisprudence leading to a divergence in rights protection leaving the UK out of step with other members of the Council of Europe at a time of war in Europe, fails to improve citizens' rights to access nature and to live in a safe climate, fails to improve the rights of children, disabled people and future generations, undermines efforts to tackle violence against women and girls, and distorts and undermines this country's democracy by increasing the power of the executive over citizens by removing and weakening rights instead of enshrining and improving them.
