Reasons Committee: Reports

11 Strikes (Minimum Service Levels) Bill: Reasons Committee

Kevin Hollinrake reported that the Committee had agreed the following Reasons:

Lords Amendment 2B

Because the Bill already contains adequate provision for consultation and parliamentary control of regulations made under it.

Lords Amendment 4B

Because in order for the legislation to be effective, it is necessary for there to be consequences for an employee who fails to comply with a work notice.

Lords Amendments 5B, 5C and 5D

Because Amendment 5B would remove the requirement for a union to take reasonable steps to ensure that members comply with a work notice in order for strike action to be protected, and this would reduce the impact of the legislation, and Amendments 5C and 5D are consequential on Amendment 5B.

12 Retained EU Law (Revocation and Reform) Bill: Reasons Committee

Michael Tomlinson reported that the Committee had agreed the following Reasons:

Lords Amendment 15D

Because the Commons do not consider the Lords Amendment necessary in order to maintain environmental protection.

Lords Amendment 42D

Because the Commons consider the scrutiny procedure imposed by the Lords Amendment to be inappropriate.
