## **6 Global Climate and Development Finance: Motion for leave to bring in a Bill (Standing Order No. 23)**

*Ordered,* That leave be given to bring in a Bill to require the Secretary of State to publish proposals for increasing the on-lending of UK Special Drawing Rights via the IMF, for transferring the capital returned to the UK by the European Investment Bank to the World Bank, and for increasing the UK's support for the African Development Bank, for the purpose of reducing debt burdens and the cost of capital and contributing to the implementation of the Paris Agreement on climate change;

That Liam Byrne, Sarah Champion, Sir Stephen Timms, Tony Lloyd, Sir George Howarth, Clive Efford, Debbie Abrahams, Mr Virendra Sharma, Mike Amesbury and Patrick Grady present the Bill.

Liam Byrne accordingly presented the Bill.

Bill read the first time; to be read a second time on Friday 24 November, and to be printed (Bill 336).

## **7 Holocaust Memorial Bill: Second Reading**

Motion made and Question proposed, That the Holocaust Memorial Bill be now read a second time.

Amendment moved, to leave out from 'That' to the end of the Question and add 'this House, while accepting the value of a national holocaust memorial, declines to give a Second Reading to the Holocaust Memorial Bill because no adequate reason has been given for seeking to build the memorial and learning centre in a long-established small public park, thereby contradicting the Government's own policies on environmental and green space protection; because the Government has not implemented its 2015 promise to establish an endowment fund for Holocaust education, which would have spread the benefits of the learning centre around the country; because the proposed site is opposed by many in the Jewish community, including many Holocaust survivors; because there was no public consultation on the choice of site; and because there has been no consideration of alternatives to Victoria Tower Gardens since the criteria declared in

September 2015 were set aside.'—(*Sir Peter Bottomley*.)

Question proposed, That the Amendment be made.

## **8 Deferred Divisions**

The Deputy Speaker announced the results of the Division which had been deferred to this day (Standing Order No. 41A).

(and references in this paragraph to the submission of a petition are to its submission electronically, by post or in person).

(4) That if no such petition as is mentioned in sub-paragraph (3)(a) above is presented, or if all such petitions are withdrawn before the meeting of the Committee, the order for the committal of the Bill to a Select Committee shall be discharged and the Bill shall be committed to a Public Bill Committee.

(5) That, notwithstanding the practice of the House that appearances on petitions against an opposed private bill be required to be entered at the first meeting of the Select Committee on the Bill, in the case of any such petitions as are mentioned in paragraph 3(a) above on which appearances are not entered at that meeting, the Select Committee shall appoint a later day or days

on which it will require appearances on those petitions to be entered.

### **13 Holocaust Memorial Bill: Instruction**

Motion made and Question proposed, That it be an instruction to the Select Committee to which the Holocaust Memorial Bill is committed to deal with the Bill as follows:

(1) That the Committee treats the principle of the Bill, as determined by the House on the Bill's Second Reading, as comprising the matters mentioned in paragraph 2; and those matters shall accordingly not be at issue during proceedings of the Committee.

(2) The matters referred to in paragraph (1) are—

(a) the Secretary of State may incur expenditure for or in connection with (i)

a memorial commemorating the victims of the Holocaust, and (ii) a centre for learning relating to the memorial; and

(b) section 8(1) and (8) of the London County Council (Improvements) Act 1900 are not to prevent, restrict or otherwise affect the construction, use, operation, maintenance or improvement of such a memorial and centre for learning at Victoria Tower Gardens in the City of Westminster.

(3) Given paragraph (2) and as the Bill does not remove the need for planning permission and all other necessary consents being obtained in the usual way for the construction, use, operation, maintenance and improvement of the memorial and centre for learning, the Committee shall not hear any petition against the Bill to the extent that the petition relates to—

(a) the question of whether or not there should be a memorial commemorating

the victims of the Holocaust or a centre for learning relating to the memorial, whether at Victoria Tower Gardens or elsewhere; or

(b) whether or not planning permission and all other necessary consents should be given for the memorial and centre for learning, or the terms and conditions on which they should be given.

(4) The Committee shall have power to consider any amendments proposed by the member in charge of the Bill which, if the Bill were a private bill, could not be made except upon petition for additional provision.
