■ **Ministerial Statements (if any)**

BUSINESS OF THE DAY**1. PRIMARY CARE SERVICES (REPORT): TEN MINUTE RULE MOTION**

Up to 20 minutes (Standing Order No. 23)

Daisy Cooper

That leave be given to bring in a Bill to require the Secretary of State to appoint an independent reviewer to prepare a quarterly report containing an assessment of primary care services; to require the Secretary of State to lay before Parliament each report prepared by the independent reviewer; to require such reports to include the independent reviewer's assessment of any measures taken to improve general practice services, dental services, community pharmacy services, optometry services, and mental health services; and for connected purposes.

Notes:

The Member moving and a Member opposing this Motion may each speak for up to 10 minutes.

2. OPPOSITION DAY (20TH ALLOTTED DAY)

Until 7.00pm (Standing Order No. 9(3))

■ Supporting the automotive industry

Keir Starmer

Angela Rayner

Jonathan Reynolds

Louise Haigh

Thangam Debbonaire

Sir Alan Campbell

That this House recognises that the automotive industry is the jewel in the crown of British manufacturing and believes it can have a bright future creating good jobs for people across the UK; regrets that after 13 years of Conservative neglect the UK risks losing this world-class industry, putting thousands of jobs under threat; condemns the Government for its lack of an industrial strategy and the negative impact this has had on investment in the UK's automotive sector; calls on the Government to urgently resolve the rules of origin changes which are due to take effect in 2024, working with partners across Europe to negotiate a deal that works

for manufacturers; and further calls on the Government to adopt an active industrial strategy to build the battery factory capacity needed to secure the automotive sector for decades to come.

■ Children and vaping

Keir Starmer

Angela Rayner

Wes Streeting

Andrew Gwynne

Helen Hayes

Sir Alan Campbell

That this House is concerned that children are being inappropriately exposed to e-cigarette promotions and that under-age vaping has increased by 50% in just the last three years; condemns the Government for its failure to act to protect children by voting against the addition of measures to prohibit branding which is appealing to children on e-cigarette packaging during the passage of the Health and Care Act 2022 and for failing to bring forward the tobacco control plan that it promised by the end of 2021; and therefore calls on the Government to ban vapes

from being branded and advertised to appeal to children and to work with local councils and the NHS to help ensure that e-cigarettes are being used as an aid to stop smoking, rather than as a new form of smoking.

Notes:

The selection of the matters to be debated has been made by the Leader of the Opposition (Standing Order No. 14(2)).

(4) Leave out paragraphs (16)(a) and 16(c) and insert:

“() in so far as it relates to documents laid in accordance with paragraph 6(3)(b) of Schedule 5 to the Retained EU Law (Revocation and Reform) Act 2023 (and matters arising from the consideration of such documents), at the end of the period after which no more regulations may be made under Sections 11, 12, or 14 of that Act;”.
