Reasons Committees: Reports

17Economic Crime and Corporate Transparency Bill: Reasons Committee

Kevin Hollinrake reported that the Committee had agreed the following Reasons:

Lords Amendment 151B and 151C:

Because it would be disproportionate to apply the new clause inserted by Lords Amendment 151 to bodies other than large organisations.

Lords Amendment 161B:

Because it would alter the financial arrangements made by the Commons, and the Commons do not offer any further Reason, trusting that this Reason may be deemed sufficient.

18Procurement Bill [Lords]: Reasons Committee

Alex Burghart reported that the Committee had agreed the following Reason:

Lords Amendment 102B

Because it is unnecessary to have a specific discretionary exclusion ground for involvement in forced organ harvesting

in light of the ground for professional misconduct and the lack of evidence that any supplier to the UK public sector has been involved in forced organ harvesting.
