5 Opposition Day: Leader of the Opposition (1st allotted day (Standing Order No. 14))

(1) Keeping town centres safe

Resolved, That this House condemns the Government's failure to tackle town centre crime; is concerned that shoplifting has reached record levels, with a 25% rise over the past year and 1,000 offences per day, while the detection rate for shoplifters has fallen; believes that immediate action must be taken to stop the increasing number of unacceptable incidents of violence and abuse faced by shop workers; notes that the number of neighbourhood police officers and police community support officers has been reduced by 10,000 since 2015; and calls on the Government to back Labour's community policing guarantee, which includes scrapping the £200 limit on crown court prosecutions for shoplifting in the Anti-social Behaviour, Crime and Policing

Act 2014, creating a new specific offence of violence against shop workers, rolling out town centre policing plans and putting 13,000 extra police and community support officers back in town centres to crack down on antisocial behaviour.—(*Alex Norris.*)

(2) Bonuses for water company executives

Motion made and Question proposed,
That this House regrets that 13 years of successive Conservative Governments have broken the water industry and its regulatory framework; is deeply concerned about the scale of the sewage crisis and the devastating impact it is having on the UK's rivers, lakes and seas; believes it is indefensible that executives at UK water companies were paid over £14 million in bonuses between 2020 and 2021 despite inflicting significant environmental and human damage; condemns the Government for being too weak to tackle the crisis and hold water company bosses to account; calls on the Government to empower Ofwat to ban the payment of bonuses to water company executives whose companies are discharging significant levels of raw sewage into the UK's seas and waterways;

and further calls on the Secretary of State for Environment, Food and Rural Affairs to make a statement to this House by 31 January 2024 on the Government's progress in implementing this ban.—(*Steve Reed.*)

Sir Alan Campbell claimed to move the closure (Standing Order No. 36).
