5 Backbench business

(1) Loan Charge

Resolved, That this House is deeply concerned that HMRC has confirmed the suicides of 10 people facing the Loan Charge and that, despite the Morse Review, thousands face unaffordable demands, with the risk of further suicides; notes that HMRC has also confirmed 24 cases of serious harm, including 13 suicide attempts; believes that many people who used schemes were victims of mis-selling, and that in other cases employers and agencies pushed people into using them, yet HMRC is demanding all disputed tax from scheme users, not from those who recommended, promoted and operated the schemes; further notes that section 44 of the Income Tax (Earnings and Pensions) Act 2003 deems agency workers to be taxable as employees of those agencies and that HMRC should have collected tax from agencies at the time; criticises HMRC transferring the liability to individuals despite its own failures; observes that HMRC is pursuing open enquiries for schemes before 2011 despite the Morse Review; also notes that HMRC is seeking additional

payments from those who settled; further believes that the Morse Review was limited and not genuinely independent of HM Treasury and HMRC; highlights the resolution proposed by tax professionals; calls on the Government to work with all parties to find a fair resolution and for a full independent investigation, including into the conduct of HMRC; and believes that taxpayer rights must be enshrined in law and enquiries closed after four years if HMRC fails to act.—(*Sammy Wilson.*)

(2) HS2 compensation

Resolved, That this House calls on the Government to provide compensation to people who have been affected by the construction of HS2.—(*Theo Clarke.*)
