## **7 Opposition Day: Leader of the Opposition (9th allotted day (Standing Order No. 14))**

### **(1) Welfare**

Motion made and Question proposed, That this House believes the two-child benefit cap should remain in place and that households with a third or subsequent child born from 6 April 2017 claiming Universal Credit or Child Tax Credit should not receive additional funding, because those who receive benefits should make the same decisions about having children as those who do not; further believes that lifting the cap would exacerbate a benefits culture which is unfair on the taxpayers who pay for it and unfair on those who become trapped on benefits, because those who can work, should work; and generally supports further changes to reduce welfare spending and ensure that benefits are there only for those who need them.—(*Helen Whately.*)

The Deputy Speaker announced a time limit on backbench speeches (Standing Order No. 47(1)).

Question put.

The House divided.

Division No. 268

Ayes: 106 (Tellers: Sir Ashley Fox, Nick Timothy)

Noes: 440 (Tellers: Anna McMorris, Kate Dearden)

(2) Taxes

Motion made and Question proposed, That this House notes that the Government was elected on the basis of a manifesto commitment not to increase taxes on working people and not to increase National Insurance or the basic, higher, or additional rates of Income Tax, or VAT; accordingly regrets the decision to raise employers' National Insurance contributions in the Autumn Budget 2024; further regrets the proposed changes to Agricultural Property Relief and the burden on taxpayers from

increases in Council Tax, which is forecast to increase at its highest rate in 20 years; calls on the Government to reaffirm the statement made by the Chancellor of the Exchequer in the Autumn Budget 2024 that, from 2028–29, personal tax thresholds will be uprated in line with inflation once again; regrets that the Government plans to bring those whose only income is the State Pension into paying Income Tax this Parliament; and urges the Government not to introduce new taxes on the value of assets owned such as savings, homes and pensions, which would drive wealth creators away from the UK.—(*Sir Mel Stride*.)
